

The screenshot shows the IBM Cognos Analytics interface. At the top, a navigation bar includes the IBM logo, the text "IBM Cognos Analytics with Watson", and a search bar. Below this, a "Maintenance" banner states: "The upgrade is now complete. Click on More Info to see what actions may be necessary and to subscribe to future events".

The main workspace is divided into three tabs: "Grid", "Relationships", and "Custom tables". The "Grid" tab is active, displaying a large circular icon with a checkmark and the text "Preview data". Below this, instructions read: "To preview data, select a table, a column in a table, or a folder that contains columns."

On the left side, a "Data module" pane is open, showing a search bar and a list of items. The "New data module" item is highlighted. Below it, a folder named "Navigation paths" is expanded, revealing a list of data sources:

- supermark...heet1.csv
 - # Row Id
 - abc Invoice ID
 - abc Branch
 - City
 - abc Customer type
 - abc Gender
 - abc Product line
 - Unit price
 - Quantity
